

VICTORIA EVENING KAYAK TOUR

(2.5 hours) Watch Victoria transform right before your eyes!

Brilliant pinks, stunning blues, dazzling yellows... a Victoria Harbour Sunset Kayak Tour is legendary and is a must when visiting for business or pleasure! As you traverse the inner harbour, upper harbour and the historic Gorge Waterway, you will be able to see the city turn from day into night. First, it's the building lights, some turning off and others turning on, then it's the street lights, and finally the BC Legislature becomes all lit up like a giant Christmas display, with over 3,300 light bulbs casting a magical spell over the harbour. While you are on the water, keep an eye out for eagles, herons, cormorants, river otters, harbour seals and other marine wildlife—this area is constantly full of surprise!

Prerequisites: No experience necessary

Itinerary

Meet your guide(s) and other participants at our waterfront docks behind Ocean River Sports. Please arrive 10-15 minutes early for your program. If you are driving, there is free street parking available after 6 pm. If you are parking a vehicle, we cannot be responsible for damage to or loss of your personal items, so please ensure valuables are stored securely. Our safety-conscience guides are among the most highly trained and versatile on the coast—what is more, they really know Victoria. On the water, groups larger than 6 are led by two guides. If you prefer to paddle a single or double, please let us know during your reservation. Our paddling area encompasses the scenic 7 km stretch of calm protected water known locally as the Gorge, as well as the world's most photographed harbour, Victoria's Inner Harbour.

What You Will Experience

After meeting and greeting all, you will be provided with a paddling orientation, which will include the features of the kayak, personal paddling equipment, group safety protocol, and the strokes that will make paddling and maneuvering the kayak enjoyable.

The tour will make several stops at fascinating landmarks, with the guide detailing the storied history of each stop.

Weather

Weather in southern Vancouver Island is classified as sub-Mediterranean, and this area boasts the mildest climate in Canada. This means our weather is warm, but not too warm, and surprisingly dry. In spring and fall, we often get a mix of sun and cloud—certainly reasonable weather for sea kayaking, as your spraydeck covers the bottom part of your body and can keep it dry even during some rain. Combine this with a light raincoat and hat and you should be comfortable. If you are concerned about being outdoors in cooler weather with the possibility of rain, consider registering in a program that takes place during the summer, rather than the spring or fall. Summer is comfortable paddling weather, with temperatures from 18° to 32°C (65° to 90°F). The average monthly rainfall in summer is less than 2.5 cm (1"). Actually, this particular region is in a rain shadow. However, while this region is in a rain shadow, we're very close to the rainforest, which dominates the northern Pacific coast. This means that neighbouring areas experience plenty of rain. As such, you must be prepared for the possibility of rain by bringing adequate clothing. Usually, rain doesn't last very long. We take this all in stride in the great outdoors! Programs run rain or shine.

Equipment List

What You Provide for Your Program

Please read the following equipment list carefully, as it indicates what you will need to bring with you on the tour. Cotton keeps you cold when it's wet, and takes a long time to dry. If possible, bring clothing designed for outdoor wear and made from Merino (wool), silk, or synthetic materials, such as Capilene™, polyester, polypropylene, or nylon.

Ocean River Sports stocks many of the items listed below. If you need advice or would like to purchase gear, check out our website at www.oceanriver.com or call us!

- Eyeglass retainer strap if you wear glasses
- Sunglasses, sunscreen
- A broad-brimmed sun/rain hat
- Clothing like you might wear for a short hike (dress in appropriate layers depending, on the weather). Bring a light rain jacket on days when there is a chance of rain. If you don't have one, we can provide you with a waterproof paddling jacket.
- Low-heeled shoes
- Water and snack (optional)
- A watertight plastic bag for electronics (optional)
- A camera (optional)

If you have an extra bag with you that you would like to store, we have a small storage room located close to the waterfront. Your guides can help you access this room so that you can store extras not needed for your tour. You can pick these up again after your tour.

Preparing for Your Program

Kayaking requires some upper body strength and endurance. If you are lacking this, it is rarely a problem as we don't paddle huge distances, and usually folks get by quite well with only occasional minor muscle aches. However, if you feel you could use some upper body conditioning before your trip, exercising with light weights can be quite helpful. Concentrate mainly on shoulder strengthening exercises, focusing on endurance rather than strength.

Gratuities

Please let our guide staff know if they have done a good job—tips are accepted and appreciated.

How to Register

Reservations are easy! Simply choose your departure time and date online at www.oceanriveradventures.com. Already in the city? Give us a call and we would be happy to get you out there on our next tour.
